

2018 MUSIC BOARD REPORT

Members of Committee are Mary Henson, Chair, and Matt Hinkley, Danny White

The Music Committee had four meetings in 2018;

1/24/18

We reviewed our Constitution to better understand our duties. We also decided we could obtain money from the Smith Scholarship Fund to help a young choir member begin or further their study.

5/22/18

It was decided that the Chair will present the mission of the Music Committee to the congregation and host the coffee hour on 5/27. Besides offering goodies we would be open to questions.

8/26/18

Danny presented his idea of conducting an Advent and Christmas forum involving narrative and singing. He will work on this idea. It was decided that choir would begin wearing street clothes on Sunday except for Communion Sundays.

11/17/18

Mainly discussed logistics of Danny's "Caroling in Manitou, then returning to church for carols and Christmas goodies." This was held on Dec. 21 with good attendance by community and church members. No expenses were incurred as money and goodies were donated.

Respectfully submitted,

Mary Henson

Music Board Chair
