

Board of Trustee Annual Report ~ 2019

The 2019 Trustees Board Members are:

Tina Hudson, Chair Brad Gibson Bill Ickes Julie Wells
Catherine Wilson Matt Hinkley George Whitt

We started an “adopt a project” program. This program was implemented to help with projects and needed upgrades around the church. Members of the congregation have come forward to pay for or volunteer time or services for projects around the church.

Many completed projects include:

- new LED lights in the kitchen and the sanctuary,
- the carpet in the hall has been cleaned,
- a new thermostat in the sanctuary,
- there was work done on the toilets,
- we have rekeyed the office,
- new lock boxes for the keys to the hall and the office.

Additional projects –

- purchase of new shovels,
- the front doors to the church have been painted,
- the chairs in the hall have been reupholstered,
- name tags for members
- and the dishwasher has been fixed.

We had 3 clean up days this year. We had help from the garden club with some of the outside work.

We are installing a donation box for the parking lot and we have put one up in the hall with the hope of encouraging donations from the people who use our building and parking lot.

Respectfully Submitted

Tina Hudson,

Board of Trustees Chairperson
