

Women's Fellowship Report ~ 2021

Women's Fellowship has had limited activities this past year due to COVID. In the early summer we sponsored a Palisade Peach Sale, selling 100 boxes of this delicious fruit. We continue to serve Kiwanis dinners on Monday nights.

We are privileged to have been able to assist in receptions for funeral or memorial services for Chip Shaw and Daniel Chase. Our members finished eleven quilts that were given to "Mercy at Miramont" for their Christmas give away, plus 30 small fleece blankets for children. They also gave a quilt to our WestSide CARES Adopt-A-Family.

Respectfully submitted,

Arlene Penman
