

## Board of Trustees Annal Report 2021

The Board members are:

Tina Hudson chair, George Whitt, Darold Jones, Rich Baker, Betty Armstrong, Julie Wells and Steve Hart

We were able to move back into the sanctuary in the spring, have in person meetings and start thinking about future events.

We did do a cleanup in March to spruce things up.

The trustees discussed the parking lot frequently and I feel that this is something we will be discussing at great length still. We did put a new sign up near the donation box that has generated some response.

Our ice machine has stopped working. Kiwanis, Women's Fellowship and a fund raiser have raised enough to purchase a new one, it is on back order.

We purchased a new iPad for the sound system. We also had some maintenance done to correct an issue we had with the sound.

Again, hoping for more in 2022

Respectfully, submitted

Tina Hudson
